

Only The Essentials

Hey, it's Emily!! This college packing list highlights everything you should actually pack for college. There's no fluff or extra items on this list that will just take up space in your dorm. I hope that you love it and happy packing!!

P.S. If you want an even bigger college packing list that includes absolutely everything you could ever need, [click here.](#)

The Blog Post

[Click here](#) to visit the blog post that goes over this list in extreme detail! This list is seriously a lifesaver, especially if you're getting ready to pack for college for the first time!
