

About The List

Heyy, it's Emily! I am so happy that you found this list. After my freshman year of college, I created a master college packing list to make college packing a lot easier. Now it's the most popular printable on my blog.

After moving into my first apartment, I knew I wanted to create a similar master list with everything you'll need to pack for your first apartment. I hope that you love it and happy packing!

APARTMENT PACKING LIST

kitchen

☐ TABLE & CHAIRS	☐ MUGS	☐ MICROWAVE
